

Matthew Graham Finn

Managing Director - Arbitrator, Accredited Civil & Commercial Mediator, Construction Adjudicator, Dispute Board Practitioner and Accredited Expert Witness

Nationality: British

Current Position: Managing Director

Professional Experience

Matthew is a Managing Director in the Global Construction Practice based in London, formerly of Navigant, acquired by Ankura in 2018. He has experience in claims preparation/avoidance, arbitration, adjudication, mediation and quantum expert witness appointments in building, civil engineering, nuclear, rail, oil & gas and building services.

Matthew has worked in the construction industry as a Chartered Quantity Surveyor and Chartered Construction Manager in both consulting and contracting organisations. He has worked on a range of projects for major contractors and consultancies on projects for private, corporate and public body clients.

Who's Who Legal 2018 says: Matthew Finn is a "very enthusiastic and on-the-ball" practitioner who has a strong practice in the litigation space. Instructing counsel comment that "he pays good attention to detail and his ability to think creatively is very helpful". Who's Who Legal 2019 says: Matthew Finn commands great respect from interviewees who applaud his "incredible attention to detail" and "clarity of expression", noting his "ability to work in difficult circumstances". WWL 2019 also says: Matthew Finn has "wide knowledge and skills in the field" as well as "large intellect capable of grasping detailed and complex information quickly". Who's Who Legal 2020 says: "The "exceptional" Matthew Finn is "thorough and detailed" in his analysis and remains "very calm under cross-examination". WWL 2020 also says: "Matthew Finn is "an excellent all-round quantity surveying expert" who impresses clients with "his attention to detail and ability to concisely and accurately process complex data and give a clear opinion".
