## Expertise

Dr. Konrad specializes in commercial & corporate law, public international law and international commercial and investment arbitration, with particular emphasis on industrial engineering, construction, joint ventures, energy and infrastructure-related matters and commercial and corporate disputes in common and civil law jurisdictions. He has represented international organisations and businesses in a broad range of disputes involving long-term energy contracts, complex construction contracts, concession agreements, entitlement to natural resources, immunity from jurisdiction, infrastructure projects, and mergers and acquisitions. He regularly advises clients on the protection of their investments with a focus on Central and Eastern Europe and on the enforcement of arbitral awards and court judgments, contract negotiations and public tender proceedings. Dr Konrad frequently serves as an arbitrator and legal expert in ad-hoc arbitrations and in proceedings under the auspices of all major arbitral institutions.
