

Peter Collie

Barrister

Address: 3PB Barristers, 3 Paper Buildings, Temple, London EC4Y 7EU

Nationality: British

Current Position: Barrister

Professional Experience

Peter has 35 years' experience in the construction industry and has worked as legal adviser on major projects around the world. Peter is Chartered Arbitrator, Chartered Construction Manager, Chartered Construction Surveyor and Barrister. According to The Legal 500 UK Peter has acted in several international multimillion-pound disputes, he "stands out as being a specialist" and is recommended as "extremely knowledgeable, tactical and reliable". After 15 years working in the construction industry, Peter was called to the Bar in 1994.

Peter has acted in a wide variety of construction, building, civil engineering, mechanical and electrical engineering, water and sewage engineering, clean room and IT disputes, as well as in professional negligence matters involving architects, building surveyors, quantity surveyors, civil engineers, M&E engineers and project managers.

Peter has significant experience of FIDIC, JCT, ICE, NEC, IChemE, IMechE and EPC contracts both in the UK and internationally.

Peter is on the FIDIC President's Panel of Dispute Board Members. This list is currently limited to 61 people worldwide. He is a member of the Dispute Resolution Board Foundation. Peter is an international adjudicator on Dispute Adjudication Boards, Dispute Resolution Boards and Dispute Avoidance Boards. He has lectured on the benefits of Dispute Boards in the UK, India, Mauritius and Dubai. He has been appointed to dispute boards by FIDIC and the ICC.

Peter qualified as a mediator on the CEDR training programme in 1999 and has acted regularly as a mediator having dealt with a range of matters including construction disputes, IT, copyright, internet and professional negligence.

Arbitration Experience

Peter is a Chartered Arbitrator and has conducted arbitrations in the UK and internationally, including in Dubai. He has been appointed as arbitrator under the Water Industry Act, DIAC and CIArb, as well as undertaking party appointments.

Peter also acts as Dispute Board, Expert Review Board, Mediator, Expert Determiner and Adjudicator under the UK Act. Peter has had circa 200 appointments as a neutral dispute resolver the largest on a US\$2 Billion project in Bahrain. Some examples of Peter's appointments are:

- Acting as an Expert Review Board on a US\$2 Billion combined oil and gas Power and desalination plant.
- Acting as co-arbitrator (DIAC) in a dispute over the termination of a contract for a large water plant (UAE) US\$50million.
