Arbitration Experience

Dmytro Donenko has more than 10 years experience in dispute resolution, including commercial litigation, cross-border litigation, international arbitration and mediation. He practices in the areas of complex cross-border commercial litigation and international arbitration. He has been involved in high profile matters related to corporate governance, M&A transactions, allegations of fraud and asset tracing, contractual disputes, and the validity of contractual instruments etc.

Representative matters:

- Representing one of the biggest metallurgical holdings in Ukraine in cross-border litigation (amount in dispute approx. USD 40 million)
- Representing Ukraine in ICSID arbitration under Ukraine - The Netherlands BIT (amount in dispute approx. USD 1200 million)
- Representing interests of a major Ukrainian industrial and financial group in the ICC arbitration dispute arising out of an M&A transaction on acquisition of shares in a Ukrainian bank (amount in dispute approx. USD 400 million)
- Representing a Ukrainian businessman in an arbitration dispute under the ICC Rules concerning the corporate governance of a large Ukrainian agricultural company (amount in dispute approx. USD 20 million)
- Representing a US investor in the proceedings for enforcement of an ICC arbitral award against a Ukrainian company (USD 145 million)
- Representing a Ukrainian businessman in the Cypriot court proceedings over metallurgical assets (amount in dispute approx. USD 2 billion)
- Representing interests of a Swiss-based individual in the LCIA arbitration dispute on hostile takeover of a major Ukrainian bank (amount in dispute approx. USD 400 million)
- Representing Ukrainian agricultural group in an LCIA dispute over performance of the underlying investment agreement (amount in dispute approx. USD 40 million)
- Representing interests of a client in settlement negotiations on enforcement of an LCIA arbitral award (amount in dispute approx. USD 20 million)
- Representing an Italian investor in the proceedings for enforcement of an SCC arbitral award against a Ukrainian company (amount in dispute approx. USD 20 million)
- Representing a Ukrainian oil and gas company in an SCC arbitration dispute arising out of the annexation of Crimea (amount in dispute approx. USD 8 million)
- Co-Arbitrator in arbitration under ICC Rules (amount in dispute approx. EUR 12 million)
